**Equip Community Questions**

1. As a family or as a small group, take time to read Ruth 1:6-22. Share how different decisions that you have made along the way have helped or hindered your walk with God.
  
2. Discuss this morning's sermon, can you see how God was moving in your life to get you where you needed to be? What people, places, or pursuits did God ultimately use to get you where you needed to be?
  
3. Read Luke 15:17-22. Pray for family, friends, and co-workers to return to God or to turn to God for the very first time.
